# HOW WE'RE PRAYING IN JUNE:

---

*For authentic,  
passionate Pentecostal  
leadership and  
congregations*

- That our leaders and ministers will hunger for God's presence and the Spirit's work, gifts and expressions.
- That they would walk in companionship with the Spirit and be open to all that Jesus promised the Spirit would provide.
- For congregations to be increasingly filled with anticipation for the Spirit to reveal Himself and transform lives each time the family of God meets.
- That God will increase our understanding of our need for continual dependence on Him, and we will begin to consciously "practise His presence."
- That believing prayer will become an increasingly significant part of our individual, congregational and community experience.
