# HOW WE'RE PRAYING IN SEPTEMBER:

---

*For effective youth  
and campus  
evangelization and  
discipleship*

- That Christians will consistently share and live out biblical principles with youth and young adults who can observe their faithful obedience closely.
- That youth and young adults will be drawn by God's Spirit to seek Him with all their hearts, and that they will find Him.
- That young adults who have strayed away from their childhood faith will find opportunities to reconnect with God and His people on campus.
- That loving communities of Christian faith will find favour and opportunities for greater outreach on every campus in Canada.
- That meaningful discipleship will grow and flourish wherever God places Christian representatives to serve.
