HOW WE'RE PRAYING IN OCTOBER:

*For an unwavering
focus on righteousness
and justice*

- That we would increase in our understanding as a Pentecostal family of what it means to be one in mission together, demonstrating God's love for humanity.
- That we would embrace a high view of Scripture and live with moral and relational integrity while seeking transformation in our communities, our nation and our world.
- That men, women and children throughout our Fellowship will have continued sharpened sensitivity and a meaningful response to both the spiritual and practical needs of those less fortunate in Canada and around the world.
- That God will open up opportunities for the church to influence the public context through life and speech, affirming what is right and confronting what is wrong.
