# HOW WE'RE PRAYING IN DECEMBER:

---

*For the true meaning  
of Christmas to be  
celebrated and declared*

- That God's Spirit will lead Christians to learn more about the season of advent and to embrace its full meaning.
- That we will be responsive to opportunities to share the truth about Christ and the meaning of advent with our neighbours, friends and families.
- That our churches will be effective in sharing the message of Christ's birth, life, death and resurrection, so that many hearts and lives will be changed this Christmas.
- That we will recognize thoughtful ways to express God's love to those without hope during this season and always.
